Palomar's cocktails are inspired by the bartenders of Cuba from the 1920's who formed the first bartender's guild in the world known as the Asociacion de Cantineros de Cuba. Their drink style catered to expatriates fleeing prohibition from the United States, making cocktails of all spirits and styles, not just rum. Our cocktail menu pays homage to them with our style and selection. They must be approachable, flavorful, and unpretentious, but most importantly, balanced.
